AND:

MARK CHESLEY McDONALD, of
608 Mountain View Road,
Chilliwack, B.C.
V2R 4Z5

AND:

SHANE CARVER BLACK, of
5659 Gillian Place,
Chilliwack, B.C.
V2R 3K2

(hereinafter collectively called the "Assignor") have invented certain new and useful improvements as described and set forth in the accompanying application for Letters Patent in Canada executed this 19 day of December, 2000.

Title of Invention: Fuel Cell Powered Electrical Motor

AND WHEREAS

POWERDISC DEVELOPMENT CORPORATION LTD.
a company incorporated under the laws of the Province of
British Columbia and having its registered and records office
address at #204 45389 Luckakuck Way, Chilliwack, B.C.
V2R 3C7

(hereinafter called the "Assignee")

is desirous of acquiring the entire right, title and interest in and to the said invention and application and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

NOW THEREFORE TO ALL WHOM IT MAY CONCERN: Be it known that in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt and sufficiency of which has been acknowledged by the Assignors, the Assignors have sold, assigned and transferred and by these presents do sell, assign and transfer to the Assignee and the Assignee's successors and assigns, all right, title and interest in and to the said invention and all future improvements thereon, the application aforesaid and all International Convention priority rights therewith, in and to any and all Letters Patent which may be granted on or as a

result thereof in Canada and throughout the world and any reissue or reissues of said Letters Patent; and we assign to and authorize the Assignee to file in our names applications for Letters Patent for the said inventions or improvements in all countries, the same to be held and enjoyed by the Assignee, its successors and assigns to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us, had this assignment, sale and transfer not been made;

AND the Assignors hereby jointly covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further jointly covenant and agree that we will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to the Inventions or improvements and said Letters Patent, in the Assignee, its successors or assigns and we agree to communicate to the Assignee, or its nominees, all known facts respecting the said inventions or improvements and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors and assigns to obtain and enforce for its or their own benefit, proper patent protection for the said inventions and improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND the Assignors hereby authorize and request the Commissioner of Patents of Canada and any official of any country or countries foreign to Canada whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for the said invention or improvements, which may be issued and granted on or as a result of any application, in accordance with the terms of this Assignment.
